Re: **Notice of intention to seize, demolish and partially seal the ground floor apartment in the structure in which lived Hijazi (ID _____)**

1. Pursuant to his power as the military commander, and according to Regulation 119 of the Defence (Emergency) Regulations, 1945, the GOC Home Front Command hereby notifies of his intention to seize, demolish and partially seal the apartment located right to the staircase on the ground floor of a two story structure in Abu Tor, East Jerusalem (waypoint 3516554, as marked on the attached map) in which lived **Hijazi (I.D. _____)** (hereinafter: the above named).
2. This measure is pursued in view of the fact that on October 29, 2014, the above named committed a terror attack, wherein he shot Yehuda Glick near the Menachem Begin Heritage Center in Jerusalem, and severely injured him. It is the position of the GOC Home Front Command that this measure is required to deter potential terrorists from the perpetration of similar terror attacks in the future.
3. The purpose of this notice is to enable you to present your arguments or objections against this intention. Should you wish to do so, you must specify them in writing and transfer them to the GOC Home Front Command not later than November 21, 2014, at 22:00, via the office of the GOC Home Front Command, by facsimile No. 08-9783349 (telephone No. for verification of receipt of fax at the office: 08-978-3777).
4. Any factual or legal argument raised by you, must be supported by documents and other proof which should be attached to your letter to the military commander.

Sincerely,
