Re: HCJ 4597/14 'Awawdeh v. the Military Commander – Updating Notice

1. Following the ruling of Deputy President Naor, dated July 1, 2014, in HCJ 4597/14 'Awawdeh et al. v. the West Bank Military Commander, here is an update concerning the review of the engineer's opinion presented in the hearing yesterday and the supplement sent to us today.
2. The engineer opinion submitted on your behalf in the framework of the petition, as well as the supplement added to it, was transferred for consideration by the relevant professionals at the Central Command.
3. Following a review of these documents, it has been determined that there is no need to revise the Military commander's position on the demolition of the western part of the structure.
4. For your information.

Sincerely, [signed]
