## **Transcript**

### **The Honorable Deputy President M. Naor:**

Instead of sending the petitioners to submit applications, you have all the material before you, we suggest that you consider the matter. Transfer it to any one you wish and we will leave the matter open. Otherwise we will keep the *Order Nisi* in force.

### **Advocate Epstein:**

The question is which application? We said that they can come and make all arguments.

### **The Honorable Justice N. Sohlberg:**

Ask them for completion.

**Advocate Epstein:**

This is what we requested, that an application be submitted with all arguments.

**The Honorable Deputy President M. Naor:**

The petition consists of the entire arguments. We were in this situation with a different category of widows. We expect a proper solution.

**Advocate Epstein:**

We propose a solution in our response.

**The Honorable Deputy President M. Naor:**

Does counsel agree to our proposal?

**Advocate Epstein:**

I accept the proposal of your honors. A hearing will be held and thereafter a decision will be given.

**The Honorable Deputy President M. Naor:**

Do whatever you want provided that a decision is given. How much time do you need?

**Advocate Epstein:**

It is difficult to commit to a certain date because it depends on additional parties other than the Ministry of Interior.

**Decision is given.**
