Dear Ms.,

re.: **Employing measures against relatives of perpetrators of attacks**

ref.: your letters to the Attorney General from 24.11.15 (yours 31250)
and from 25.11.15 (yours 37230)

The above referenced letters were transferred to me for handling, and I hereby reply as follows –

In your letters, you ask for the Attorney General's intervention regarding measures which according to reports in the media are being considered by the government against relatives of perpetrators of attacks – ban of departure abroad and deportation to the Gaza Strip.

As far as we know, at this stage there is no intention to take such steps.
I apologize for the delay in responding.

Sincerely,

[signed]
